Sixty years ago, on May 14th 1948, the modern State of Israel was born. Today many ask whether it can survive. Is this nation the fulfillment of Bible Prophecy — or is it merely a secular state at the mercy of the world's political leaders? Before making up your mind, hear this amazing presentation:

Israel & the Bible: A Challenge to the World.

See video interviews, filmed live in Jerusalem and the West Bank. Hear for yourself first hand knowledge of the situation behind the news headlines. Understand the Biblical connections to the Bible.

Speaker: Paul Billington

Seating is free of charge.

Sponsored by the Christadelphians.
